President's Message

SPRING has SPRUNG !!

Time to plant the veggies, feed the roses, fertilize the fruit trees, and spread the snail bate. Our Mayor, Berwin Hanna, also urges everyone to be sure to empty standing water, and vaccinate your horses against West Nile virus.

I certainly do not want to preach to the choir, but I do hope you'll remember to keep the HORSE TRAIL in front of your property weed free. If the trail fencing needs repair.....report it to the City. Cannot guarantee the repair time frame.....but go on record about your request.

April means HORSE WEEK !! Check out their website to keep track of the many activities.... . The Parade is Saturday, April 19, applications are on line and in 6th Street feed stores. Also a Carnival this year....an extra to help celebrate Norco's 50th Birthday.

By the time you read this.....We may have already heard the Mayor's State of the City Address. Comments to follow.

See you at the May meeting with council person Kathy Azevedo as speaker. No April meeting due to the multi events presented by the HorseWEEK Committee. Happy Easter !
