PRESIDENT'S MESSAGE

Now it is November! Soon we shall close the first year of the beginning of Norco's second half-century. What is in the future of HORSETOWN, USA? An Election takes place on the 3rd of November.....for three City Council members. Hopefully the three elected Council members, joining the other two.....shall continue on a path of protection of our RURAL life-style.....seeking new business enterprises to contribute to our tax revenues...and promoting Norco as a tourist destination, featuring out-standing Equestrian and Sports venues, hotels and restaurants. And speaking of hotels....I hope part of the future includes a beautifully restored Norconian Hotel, completing the "Golden Triangle" of the George Ingalls Equestrian Center....Silverlakes Sports Park and the historic Norconian Hotel Supreme. Now that would really be a THANKSGIVING reason for the season!! And speaking of Silverlakes, our meeting in October with RJ BRANDES reviewing the history of the project, and design of the complex, hosting soccer, equestrian, and other events, was extremely interesting and encouraging.....as the benefits to Norco begin to come to fruition.

There are so many positive and wonderful things happening in our unique "oasis of RURAL living". Great neighbors and organizations dedicated to our animal keeping lifestyle.

A special sense of place, perpetuated by the enthusiasm of Volunteers that just keep plugging and playing together.....keeping our traditions alive...and creating new ones. Stay informed and involved. Be Positive !!

So, Happy Thanksgiving Norco.

Play continues every weekend while "construction and refinements" continue during the week. The soft opening for the Equestrian events shall take place in December. Two large topographic boards, with the park layout, helped explain how equestrian and other events shall be able to play out simultaneously. The visitors using the complex are already having an economic stimulus to HORSETOWN, USA, by patronizing our restaurants, hotels and gas stations.
