President's Message

FALL IS HERE...AND THE NORCO ALL VOLUNTEER CITIZENS FAIR !!

What a humongous effort and undertaking by Norconians for Norconians.....and our surrounding communities. The tradition lives on, getting bigger and better each year.

Thanks to our members for your continued support and confidence in re-electing the RURAL Board. We are looking for new support in the future. Please consider stepping forward to ease into one of the very important Board positions next year. It is work.....but fun, satisfying.....and definitely crucial to the continued protection of our RURAL LIFE-STYLE.

Thanks again, to all of the Mounted Posse Rodeo Volunteers, selling tickets and collecting at the gates.

I had the privilege of attending a tour of the Silverlakes Equestrian and Soccer Complex, with tour guide, Mr. R.J. BRANDES himself. It is an amazing concept finally almost in the completion stages.....with a "Soft Opening for Soccer Season" this month. The Equestrian Opening should be in December. After all the negative rumors that circulated on Social-media, it is a joy to see the project come to fruition.. It shall be a premier attraction for Norco.....and shall deliver all the economic benefits predicted.

Come visit Kathy and Don Kramer in the RURAL booth at the Fair.

Also, hope to see you at our "UP CLOSE AND PERSONAL" CANDIDATES FORUM September 24, at the 6th Street Deli 7 p.m. sharp.

V.P.'S CORNER

It's that time again....elections. I don't know about you, but I do get a little tired of the rhetoric with all the election commercials and wasted paper for the continued pamphlets that come in the mail. BUT, we all need to remember that many men and women gave their lives so that we can have the opportunity and dubious honor of a free election. Each one of us should pay honor to those by voting in each and every election. Rememberif you don't vote....you don't have the right to complain about the outcome.

Speaking of elections, we also have a city council election coming up soon. There will be many debates, telephone calls and horseback discussions about who will be the best person for the job. Luckily we can always agree to disagree and still remain friends.

This town has the most unique life style of any other town in California and maybe of many other states as well. We need strong individuals who will fight for our lifestyle and maintain an open line of communication with their constituents. We will be searching for the best Norconian to represent this little town with the giant heart.

Offer a ride to the polls to someone; remind your neighbors and family of the upcoming election date, Tuesday November 3rd. The greater the turn-out of registered voters, the greater the chances are that votes will be cast for the best person to do the job!

See you at the polls.

Kathy Kramer
