AUGUST 25 NO MEETING

SEPTEMBER 22
COUNCILPERSON ROBIN
GRUNDMEYER

June so soon! The year is half over in Horsetown, USA . . . and no slowing down in sight! Congratulations to all the new Graduates, June Brides and Primary Election winners.

The Summer Heat has also arrived . . . with the challenges of keeping the newly planted veggie gardens and our critters hydrated. Being allowed to water 3 days a week in our summer heat will be tricky.

The Norco Regional Conservancy would like to thank all of the RURAL members who volunteered to help with another successful Ranch Tour. The Tour hosted over 200 visitors, mostly our own citizen Acres of Neighbors . . . and out of towners from 19 other cities . . . who marvel at the lifestyle we Norconians get to live and enjoy. Another Volunteer "Opportunity" is in August, with the Norco Mounted Posse Rodeo. I shall be calling the Faithful Fifty for your help. If you know of some new individuals who would like to be more involved in our great little town . . . please let me know. So . . . stay cool, enjoy the Concerts in the Park, attend the City Council meetings and Commissions . . . and hope to see you at the 6th Street Deli June 23.

Beat the Heat at a Cool Center

Beat the heat! The Rose M. Eldridge Senior Center serves as a Cool Center during periods of excessive heat when temperatures reach 97 degrees or above. The center hours will be extended on Friday, June 3, 2016 and be open from 8am-5pm and Saturday, June 4, 2016 from 12-5pm. For information on this location, please call 951-270-5647. For more information or for a list of cool center locations, call (888) 636-8676 or visit **www.rivcohealthdata.org**. Speech or hearing impaired individuals may ...call TTY (951) 955-5126.

For a list of summer-weather information and health recommendations, visit **www.capriverside.org**. The heat advisories and cool centers are services offered by the City of Norco in conjunction with Community Action Partnership of Riverside County, Riverside County Department of Public Health, Riverside County Fire Department, Community Connect, and the American Red Cross.

Water Conservation Measures Effective June 1, 2015

Mandatory "Level 3" water use restrictions are in effect.
