## PRESIDENT'S MESSAGE

JUNE! Half-way through the year already. We must be having FUN :) THANKS TO ALL THE FAITHFUL VOLUNTEERS. HORSEWEEK & THE RANCH TOUR was wonderfully busy and entertaining events, which highlight and celebrate Norco's unique life-style. Six months left of 2017.... and we are not slowing down.

Many activities to attend and share participate and support. You have heard me say... more than once... "If you are bored in Norco... it's your own fault".

The Memorial Day observance at the George A. Ingalls Veterans Memorial Plaza was again, a wonderful event and such a source of Civic Pride and Patriotism for Norconians.

Be sure to check the City Website and App to keep informed about the multiple events in Norco. Don't miss out.

Our "NEWEST RESIDENTS" are the Magic Kingdom Draft Horses, at Disney Circle D Ranch on Valley View, between 4th and 5th Street. The transformation of the 5 acre, old egg ranch/goat farm, is a site to behold. They are certainly a great fit for HORSETOWN, USA. Council member Robin Grundmeyer shall be in Council Corner at our June 22nd meeting.

Hope to see you there and then.

Pat Overstreet. 951-734-5081

## GENERAL MEETING

May 25, 2017

**Board Present:** Pres. Pat Overstreet; Vice Pres. Kathy Kramer;  
Secretary Doris Higgins; Treasurer Denise Sutherland

**Call to Order:** 7:00 pm

**Welcome by:** Pres. Pat Overstreet

**Pledge of Allegiance:** V.P. Kathy Kramer

**Minutes:** No April meeting (Horseweek)

**Treasurers Report:** Ending balance for General and Trail  
Marker Fund as of 05/25/17 **\$6932.32**

**Old Business:** A BIG THANK YOU for all Horseweek volunteers, and for all the volunteers that helped with the Ranch Tour on 5/20/17. Both were great successes. Horseweek Committee was very generous this year with our 'gift compensation' for RURAL's hard work during Horseweek. [\$1185.00!!]

Thank you Horseweek Committee.

### **New Business:**

- May 29th at 10 am, Ingalls' Veteran's Memorial Plaza. Program planned to honor all vets including some WWII nurses that are being added to the wall of lost veterans. Plan on attending this beautiful ceremony on Memorial Day Monday. (Large crowd expected so get there **early** for a seat). Included will be a continuous 'Salute' with each vet or person representing a specific vet, saluting for five continuous minutes each. Check into buying a brick from the City, honoring you, a loved one, or a friend who served. The Circle of Honor with the engraved bricks, is getting bigger around the flagpole but there still is plenty of room! Don't miss out.
- June 9th is the first 'Concert In The Park' from 6pm-8pm at the park across from Nellie Weaver Hall, on 6th Street. (Pikes Peak Park)
- June 10th 10 am, Disneyland's Circle D Ranch grand Open House and Tour, on Valley View. Get there early; a large crowd is expected!
- Day of the Cowboy, July 22 at 9 am for the opening ceremony, at the rodeo grounds on 6th Street. Moreno Arena.
- 'Seniors and Pets' did very well at the last Hillside Craft Fair. This organization is always looking for new volunteers to help the seniors also.

**SPEAKER:** Councilman Berwin Hanna

- Vector Control meetings are warning everyone about any breeding locations for mosquitoes. It can be large like an abandoned swimming pool or a drop of water under a leaf, the mosquitoes will find a way to populate the area. Check your yard and around your house to clear out cans, buckets, pet water bowls, water sources for your horses or any of your animals. Any and all sources allowing water to stagnate and mosquitoes to breed. Many devastating diseases are showing up in our area. Just to name a few: Zika Virus, Denque Fever, Yellow Fever, West Nile and Chikungunkya. Check out the symptoms and problems with your computer and be sure to educate yourself, in order to protect yourself.
- Information shared on the R.T.A. buses serving our area and the RCTC results of the toll roads/express lanes. (687+ new transponders have been supplied alone!). Fees are being raised as we read this newsletter. And get ready for the #15 freeway construction that will be directly involving Norco also.
- More discussion on the SB1 bill which will help enlarge and rebuild the Hamner Bridge (the bridge between Detroit St and the City of Eastvale on Hamner Avenue). The plan allows for 3 lanes both ways.
- Community Survey on possibly raising our city sales tax to help rebuild the streets in Norco. 549 citizens were surveyed (out of 11,000 registered voters). Look for this to possibly be put on the voting ballot of the future. Learn as much as you can about what can be done to help our city, and vote accordingly when the time arises.

Question and answer period concluded the above discussions.
