PRESIDENT'S MESSAGE

SEPTEMBER!!! SIZZLE & STORMS!!! This has been one of the HOTTEST spells of 3 digit temperature I can remember in my 39 plus years of living in Norco. Whew!! Nice break today, with at least a cool start for the Labor Day Parade. Not sure how warm the ending became. Thanks to all the fun-loving Traditionalists, Patriotic and participatory Norconians and "out-of-towners" who work so hard putting together a group entry, Equestrian or otherwise and individual creative entries. Thanks also to the Volunteer Committee putting on the Parade, at the end of a very busy 5 day Fair schedule. Some of them do triple volunteer duties. Glad there was a 9 day breather between the Mounted Posse Rodeo and the Fair. Because a huge number of hard working Rodeo Volunteers continue the demanding pace of the Fair, with little if any down time between these huge Norconian lifestyle events. For the August Mounted Posse Rodeo Volunteers, I would like to THANK: KAREN SHACKELFORD, ALLYSON BROWN, STEPHANIE STONE, DORIS HIGGINS, BEVERLY KILPATRICK, DONNA HAWORTH, DAVID OVERSTREET, MARK MOORE, DON & KATHY KRAMER, MARGIE MURESAN, DENISE LYNN SUTHERLAND, NORVAH WILLIAMS, JOANNE AIKINS, LINDA KROMKA, KERRY WALSH, MONICA OVERSTREET VAN HOFWEGEN, LARRY & NORMA ECKHOFF, COOPER & KYLE, PAM BOWEN, LINDA MOORE, KAYE O'MARA, SUSAN REMINGTON, JAN & STEVE BUTLER, SHAUN DAVIS, SPRING HENDRICKSON, and JOHN & KATHY RIGLER. As you know, we skip an August meeting, but shall be back on schedule Thursday, September 28th, with our Sheriff's department discussing Public Safety issues, and an up-date from the Lansing Corporation regarding the Wyle property. 6th Street Deli @ 7 p.m. sharp. Again, Thanks for the all Volunteer Fair Committee for a great traditional event. They are always seeking fresh help, and welcome your suggestions, compliments and Volunteer time. Our FAITHFUL Volunteer pool is aging, some of us, after 20, 30 years of helping at various levels, are slowing down. We could use some new people to mentor, if Norco wants to see the traditions of HORSEWEEK, The Norco Fair, Ranch Tour, all the Sporting events in the Parks and Recreation Department, etc. continue into the future. Please, if you have some spare time and a heart to contribute to the fiber of our unique and special town consider getting a little more involved. As for our Faithful Volunteers you deserve a rest. Take a nap before we start working on our next Norconian lifestyle experience. See you at the Deli.

Tree Removal Notice

The City is undergoing a selective tree removal program and is removing certain trees because they have been classified by the City's arborist as either dead, dying, diseased or deformed, and may pose risk to public and private property. The tree removals are being directed by the City and conducted by two entities, including Southern California Edison's (SCE) contractor, which is focusing on the trees within the right-of-way of SCE power lines, and West Coast Arborist, which is removing all other designated trees in the public right-of-way. It is customary for either agency to provide a minimum of 48 hour notice of a tree removal, but in emergency situations no notice will be provided. The notice should include the three-to-seven day period of when the removals will likely be completed. Also, between the hours of 7:00 a.m. and 5:00 p.m., "No Parking Signs" will be posted due to the danger of falling limbs. Please do not park on the street until after the trees have been removed and the area cleaned. Additionally, due to the hazard of falling limbs, we ask that you keep children away from the area and clear your front yard of cars, furniture and other valuables prior to the pruning operation. For more information, call (951) 270-5627 or email publicworks@ci.norco.ca.us.

A few more words from Pat O

I hope you all received and noticed the "The City SNAP Shot" mailer. Zooming in on Resources for Norco Residents. Full of extremely helpful, quick information for the new and long-time Residents alike. Granted the techy-types love the NORCO CITY APP. (& even I am able to use it, thanks to Kellie Newton) but as an old Radio-kid, I really appreciate this handy HARD COPY reference. As always, I strongly encourage you to attend the City Council meetings, to hear firsthand the discussions and decisions of our elected officials and City staff. The second-hand misinformation that circulates on social media would definitely benefit if the interested citizens relied less on rumor, and more on personal attendance at the Council meetings. Watch them live in a web-cast.

Astronomy Night in Norco

Come join the Riverside Astronomical Society to learn about the wonders of the night sky! Everyone will look through a telescope and experience what astronomy has to offer! This night, we are hoping to view the Earth's only natural satellite, the Moon and various constellations.
