President's Message

Happy Valentines to all!

We are already into February 2019. I don't know about the rest of you but I just finished taking down my Christmas tree. I thought for a while we were going to have to build a boat the way the rain kept coming down. Boy, did we need this rain but what a muddy mess. Now while the ground is damp need to get out and pull-up the giant weeds before they take over the yard.

Before we know it Spring will be here and everything will be in bloom. There are plenty of activities coming up and we are going to need a lot of volunteers to assist selling tickets, working gates, etc. The "Horse Week" committee is already meeting and planning their week in April.

The Sweetheart Dance is coming up February 9th. Also if you are interested in apply for the Oversight Committee the application is available on-line at the Norco City website. Everyone take care and we will see you at our February 28th RURAL meeting.

Old Business We have 3 trail markers missing. Kris Brooks will not release them. Don Kramer will report after January.

Council Corner: Robin Grundmeyer

Robin showed a video regarding the why of actions. The Why is the purpose, calling, belief. You act from the inside out. People don't buy what you do, they buy why you do it. If you don't know why, people will not respond. The Why for the city of Norco is Community. James Addison defined community as the bond between people that keep them grounded-centered. Norco runs off of volunteers. The what for the city is city living in a rural atmosphere. We have both as we are surrounded by city life but maintain our rural atmosphere. The City Council works from the why of community. Our Lifestyle is very expensive. Council decisions reflect the why, and also bring results. Robin believes the why is the reason for all members of our community. This will help unify our citizens with the Council. This comes from the book "Start with Why" by Simon Sinek. It is about caring about people, serving others, and building relationships with others. Citizens can meet with the Mayor by making an appointment at City Hall. Local government officials are the closest most citizens will come to having an impact.

New Business: Speakers Patty Ireland and Michelle Anglin from City of Norco Parks & Rec, passed out a handout depicting Norco facilities available for rental for events. Eldridge Senior Center, George Ingalls Equestrian Event Center (Nellie Weaver, Amphitheater, 4H Pole Barns, Moreno Arena, Clark Arena and various sports facilities and picnic shelters.
