Old Business:

- None discussed

New Business:

- Candidate Night for the upcoming election for the Norco City Council (to be decided in November by the voters.) The evening's moderator was Mr. Kevin Button (instructor at Norco High School in Political Science.)

All Candidates running for election on the Norco City Council were present.
Alphabetically listed: Jason Bemowski

Lisa Campbell
Lance Gregory
Robin Grundmeyer
Berwin Hanna
Herbert Higgins
Ted Kaufman

All questions were written and submitted by the audience; folded twice and placed in a 'hopper' to be hand picked by the moderator as time allowed. The moderator would read the question to the audience and then ask all the candidates, or specific candidate(s) the question. The answers were timed for two minutes by the RURAL treasurer, Denise Sutherland, who notified the candidate when time was up.

Big "THANKS" to the 6th Street Deli crew who presented an wonderful forum location and the audio portion was expertly set up and run by Bobby Mendoza and his associate(s). (Allowing everyone to hear all the questions and answers, wherever they were seated or standing. The candidates spoke to packed rooms, with some people standing in the outside patio area.)

The questions were well thought out, and answered by all the candidates with professionalism and oftentimes friendly humor. The night was a success. Allowing everyone to see the candidates and hopefully get to know them.

(Please understand, this is only a BRIEF recap of the meeting. So try to attend in order to get the full focus and extent of our knowledgeable speakers).

50/50: None
